ABOUT BEVO FARMS LTD.

Bevo is the largest supplier of propagated plants in North America, providing greenhouses, field farms, nurseries, and wholesalers across the continent with healthy, vigorous, pest-and-disease-free plants.

SUMMARY

We are looking for a dedicated and hard working Greenhouse Labour. Under the general direction of the Production Supervisor/Shipping Supervisor, performs day-to-day duties with regards to the production and delivery of greenhouse crops, field crops and bedding plants in a skilled workplace.

RESPONSIBILITIES

1. Performs all day-to-day tasks under the general direction of the Production/Shipping Supervisor or the Greenhouse Lead Hand to achieve specific production and packaging tasks related to propagation, seeding, grafting, staking, clipping, irrigation, plant movement/spacing, packaging, picking orders, and other related greenhouse activities.
2. To have obtained a Certified Forklift License and Bevo Farms forklift training and have gained experience in forklift operation at Bevo Farms Ltd. upon judgment of the Production/Shipping Supervisor. To maintain experience to become a senior Space Machine operator, operating with extreme accuracy and speed, gained through experience at Bevo Farms Ltd. To be qualified to drive all moving vehicles such as golf carts, bulls, forklifts and spacing machines in a safe environment. As a result of operating moving equipment, there will be a requirement to heavy lifting manual labour.
3. Under the control of the Production Supervisor, must be able to operate the Potting Line and the Grading Line in a safe and accurate procedure, following all rules and regulations pertaining to the equipment and provide supervision and maintain safe operating procedures.
4. To be able to operate and supervise the Seeding Line with the daily procedures and documentation reporting to the office.
5. To be able to perform tasks in the direct jobs relating to the growing of the plants under the supervision of the Assistant Grower and to have the ability to be a Biological Pest Scout, recording and reporting all documentation to the Grower. "Certified Pesticide Certificate" is required for the ability to qualify for this section.
6. Obtains Level 2 First Aid and adheres to all safety procedures throughout the greenhouse, warehouse and lunchroom, reporting all infractions to the safety committee.
7. Takes all necessary actions under the supervision of the Production/Shipping Supervisor to maintain an organized and hygienic workplace by abiding to the 5S workplace practices.

QUALIFICATIONS

To qualify for Level 3 – Greenhouse Labourer, the employee must have Sections 1, 3 and 7 and at least, if not more than, two more of the above sections, with experience established at Bevo Farms Ltd. To be in good physical health to maintain the labour responsibilities expected throughout a regular day and to be able to take general instructions from the supervisor and perform the task assigned accurately and efficiently.

JOB REQUIREMENTS

- Legally entitled to work in Canada upon application.
- Ability to work both independently and as part of a team; listen well and follow direction.
- Must have good communication skills and own transportation.
- If you have the skills and experience of a general maintenance mechanic, please send your cover letter + resume to Human Resources via email: bevofarmshr@gmail.com and we will contact you to discuss this opportunity.
- We thank all the applicants for their interest in this position, however, only those candidates chosen for an interview will be contacted.
