BEVO FARMS LTD.
Pay transparency report

Bevo Farms Ltd. is committed to a respectful and inclusive workplace where employees have fair opportunities to grow and succeed. This report supports transparency and helps us better understand gender-related differences in compensation across our British Columbia workforce.
We recognize that pay differences can reflect factors such as job responsibilities, experience, length of service and workforce composition. We will use the findings to inform our review of compensation practices and identify opportunities to strengthen fairness and consistency.

Explanatory notes

3. "Mean overtime pay" refers to overtime pay when averaged for each group.
4. "Median overtime pay" refers to the middle point of overtime pay for each group.
5. "Mean overtime paid hours" refers to the average number of hours of overtime worked for each group.
6. "Median overtime paid hours" refers to the middle point of number of overtime hours worked for each group.

Bonus pay

Mean bonus pay [7]

This measure cannot be displayed because there is insufficient data to meet disclosure requirements.

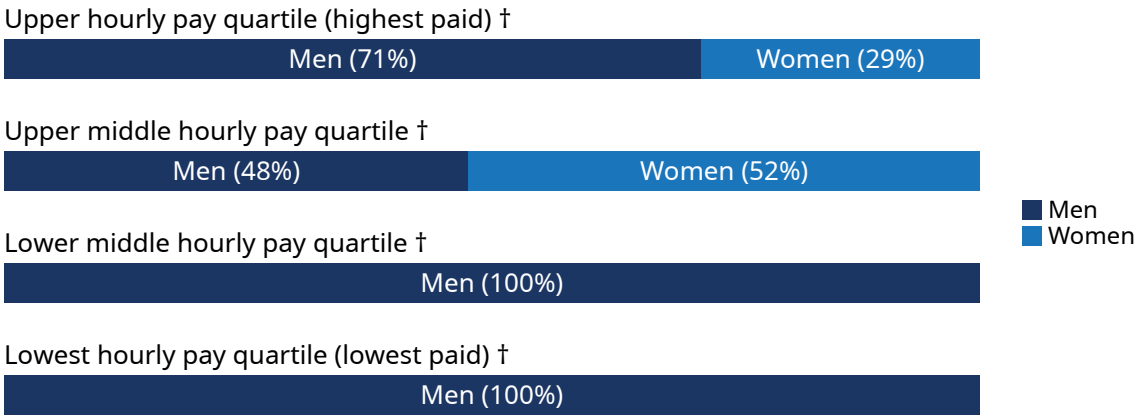

Median bonus pay [8]

This measure cannot be displayed because there is insufficient data to meet disclosure requirements.

Percentage of employees in each gender category receiving bonus pay

This measure cannot be displayed because there is insufficient data to meet disclosure requirements.

Percentage of each gender in each pay quartile [9]

In this organization, women occupy 29% of the highest paid jobs.

† This pay quartile was reduced to suppress gender categories consisting of less than ten (10) employees.

Data constraints

No bonus pay or special salary payments were made during the reporting period of January 1 to December 31, 2025. As a result, comparisons relating to these pay categories are not applicable.

Explanatory notes

7. "Mean bonus pay" refers to bonus pay when averaged for each group.
8. "Median bonus pay" refers to the middle point of bonus pay for each group.
9. "Pay quartile" refers to the percentage of each gender within four equal sized groups based on their hourly pay.

* In accordance with the Pay Transparency Act and reporting rules designed to protect the anonymity and privacy of respondents, one or more gender categories has been excluded due to insufficient numbers to meet disclosure requirements.
